

Powerbank sharing in Portugal

JUST TAP YOUR CARD AND CHARGE YOUR PHONE ON-THE-GO

People become more and more dependent on their phones

Mobile phones have become a basic human need

People worldwide spend an average of 4.8 hours a day on their phones *
American adults check phones 344 times per day i.e. every 4 minutes

71% check phones as soon as wake up

74% can't leave phones at home without feeling uncomfortable **

The Global Powerbank Rental Services Market can reach \$15.9 billion by 2030, growing in 2021–2030 at a CAGR of 13.5%***

Portugal still lacks that kind of service

Our stations

For big venues, like markets or shopping malls, tourist attractions, we have **32-slot stations**. They come with 28 powerbanks.

The station includes a screen that briefly explains how easy it is to unlock a powerbank. And payment terminal that accept all cards.

Our stations

We can offer **6 charging slots** stations, **12 slots** for café, restaurants & bars. They come with powerbanks.

The station includes a screen that briefly explains how easy it is to unlock a powerbank. And payment terminal that accept all cards.

We make social impact

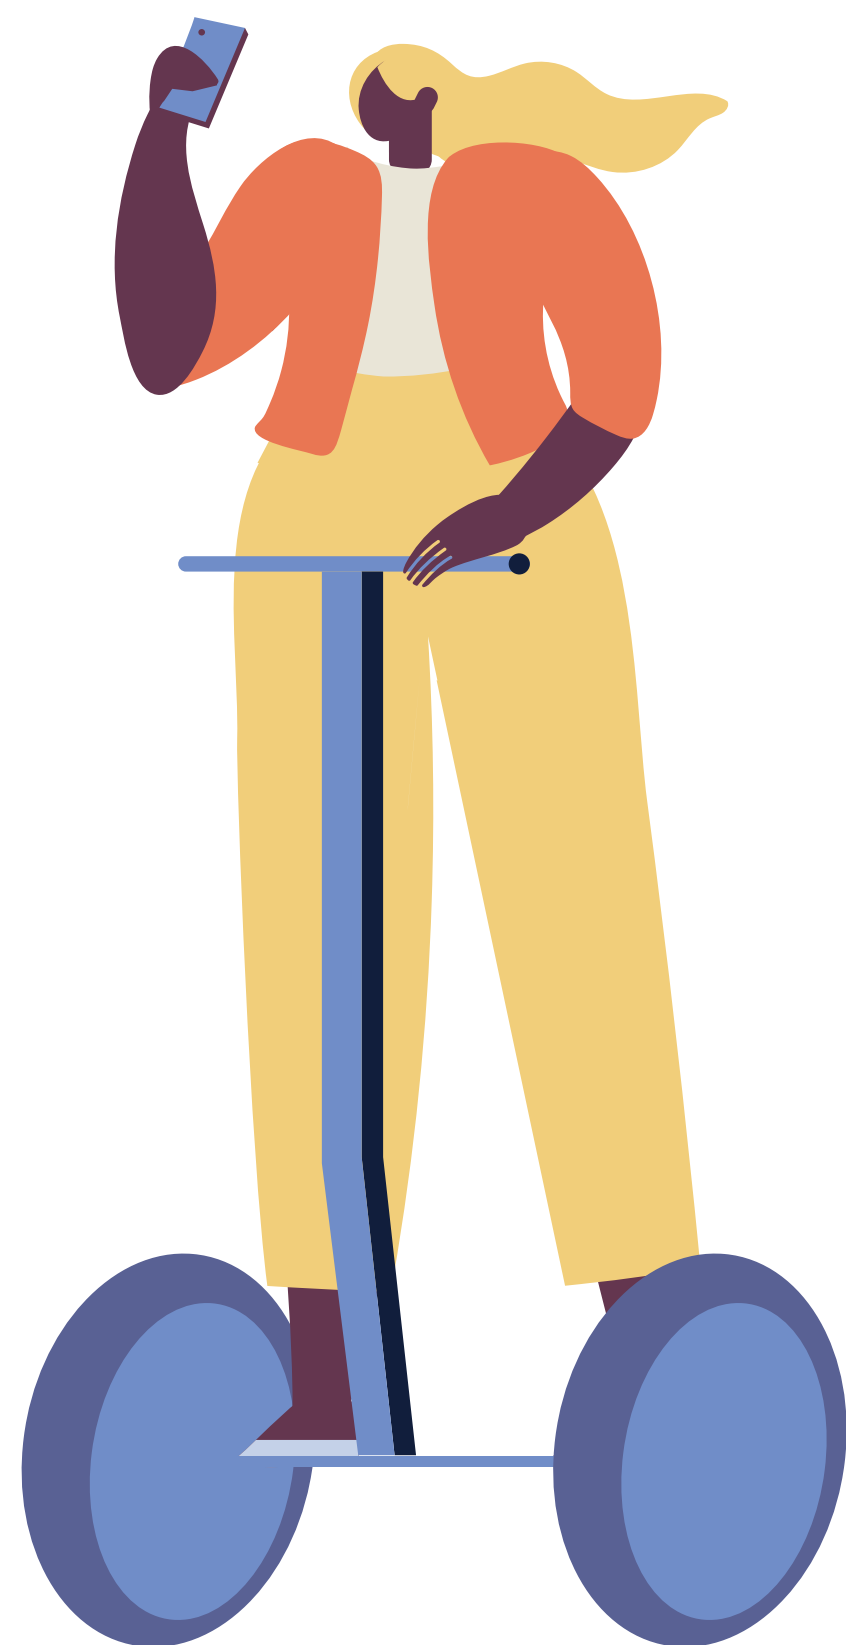

MODERN urban service

COMFORTABLE for both residents and tourists

ECOLOGICAL – reduction of electronic waste

CONSCIOUS – less powerbanks are used by more people

PEOPLE become less anxious
